

TECHNICIAN

Thank you for your interest in working at Lichfield Garrick Theatre!

This pack seeks to set out the key information you'll need to decide whether you want to apply for this role and join our team.

If you would like this in a different format or have any further questions, don't hesitate to contact us on recruitment@lichfieldgarrick.com

Introduction to the Role

Bouncing back strongly from Covid, in its most recent full financial year Lichfield Garrick Theatre has just had its most successful year on record, with its programme of drama, dance, music, comedy, family shows and cinema attracting an annual audience of over 100,000 people. Now, with significant recent renewal within our Board and a new Chief Executive in post, the charity is starting to invest in ambitious plans for the future. These include expanding the number and range of shows on offer to attract an even bigger, more diverse audience to the venue, and significantly stepping up the theatre's community engagement.

As part of this, we are currently looking for a committed and enthusiastic **Technician** to join our growing technical team, which includes Head of Production, Technical Manager, 3x Senior Technicians, 1x Technician, plus a pool of casual and freelance technicians.

The main auditorium seats around 550 people, with removable orchestra pit. It has a counterweight flying system with 40 bars. We also have a studio, offering an intimate space that can be arranged in a number of different layouts and seating up to 150 people. In addition to hosting a wide range of touring product, we produce shows in both of these venues and offer creative opportunities to our technical team, where appropriate.

Collectively, the team are responsible for the smooth day-to-day running of the theatre's performance spaces and associated spaces/activities, with a particular focus on maintaining a safe working environment, achieving the highest possible artistic/technical standards for visiting and in-house productions, and maintaining stage and electrical equipment in good working order.

If you enjoy working in a fast-paced, creative organisation and have the skills we are looking for, we would love to hear from you!

To apply please send a short statement (max 2 sides A4) explaining your interest in and suitability for the role you're interested in, together with an up-to-date CV and a completed EO monitoring form, which you'll find on our website.

The closing date for applications is Monday 22nd April 2024 at 9am

JOB DESCRIPTION

ROLE-SPECIFIC RESPONSIBILITIES

1. TECHNICIAN

1. Contributing to the provision of a warm welcome and effective technical services for visiting professional artists/companies and other user groups.
2. Contribute to the provision of a safe working environment and safe working practices for staff, visiting companies, freelancers, visitors and the public.
3. Working on get-ins and get-outs, including assembling, rigging and checking technical equipment, and carrying out Stage, LX, Operator, Flys or other duties as required to facilitate the smooth running of performances.
4. Contributing to maintaining an effective inventory of in-house technical equipment.
5. Maintaining theatre and technical equipment in good working order including carrying out appropriate safety checks on equipment.
6. Working with an awareness of using technical resources in a cost-effective manner and supporting Technical Manager to work within budgets.
7. Developing, and keeping updated, a good working knowledge of current technical theatre practices and technologies.
8. Taking advantage of training and professional development opportunities and sharing skills within the department.
9. Playing an active role within the technical team, supporting Senior Technicians, other Technicians, casuals, and freelancers.
10. Working to expected standards of presentation and behaviour.
11. Supporting EDI principles within all technical activities/services.

2. VISITING SHOWS

1. Working with the team to ensure the delivery of an excellent technical service.
2. Liaising with visiting companies to ensure the smooth delivery of their requirements.
3. Ensuring technical reports for every show are entered into Yesplan.

3. IN-HOUSE PRODUCTION

1. Contributing technical expertise to in-house production and planning.
2. Liaising with line manager and team to provide the technical requirements of in-house productions.
3. Contribute to the technical delivery of in-house productions.

4. HOUSE KEEPING & MAINTENANCE

1. Ensuring all backstage areas and team office are kept clean.
2. Ensuring all backstage areas and team office are well organised and kept tidy.
Contributing to delivery of planned maintenance projects.

5. HEALTH & SAFETY

1. Working with Technical Manager to ensure the theatre's technical areas and activities meet the requirements of the Health & Safety at Work Act and associated regulations.
2. Carrying out statutory weekly H&S checks as required.
3. Following and contributing to departmental and organisational risk assessments.
4. Following and contributing to the implementation of written procedures/safe systems of work in respect of all technical areas and activities.

5. Supporting line manager and team to ensure all technical equipment is maintained and certifications are up to date.
6. Following technical COSHH assessments.
7. Ensuring the correct PPE is worn when required.
8. Ensuring accidents/incidents/near misses are recorded and reported appropriately.

OTHER RESPONSIBILITIES

6. GENERAL

1. Attending staff meetings/training as required.
2. Maintaining a working knowledge of the theatre's programme.
3. Adhering to all Lichfield Garrick Theatre policies & procedures.
4. Contributing to staff meetings and working groups as required.
5. Contributing to effective Health & Safety management across the organisation.
6. Acting as a Key-Holder for the site.

PERSON SPECIFICATION

We are looking for someone with the following qualities and skills:
